

ST. JOHN' S FORAY  
2000

Agaricus placomyces  
Agrocybe erebia  
Albatrellus peckianus  
Amanita bisporigera  
Amanita flavoconia  
Amanita fulva  
Amanita pantherina  
Amanita vaginata  
Bisporella citrina  
Boletellus chrysenteroides  
Boletus edulis  
Boletus pallidus  
Boletus subglabripes  
Cantharellus cibarius  
Ceratiomyxa fruticulosa  
Cerrenea unicolor  
Chalciporus piperatus  
Chlorosplenium aeruginascens  
Christiansenia mycetophila  
Clavaria rubicundula  
Clavaria vermicularis  
Clavicornia pyxidata  
Clitocybe gibba  
Clitopilus prunulus  
Coltricia perennis  
Conocybe lactea  
Coprinus quadrifidus  
Coriolopsis gallica  
Craterellus fallax  
Craterellus foetidus  
Crepidotus sp.  
Crinipellis sp.  
Crucibulum laeve  
Cyptotrama asprata  
Dacrymyces palmatus  
Dendrothele nivosa  
Dictydium cancellatum  
Discisida (= Discina) sp.  
Entoloma abortivum  
Exidia glandulosa  
Fomes fomentarius  
Fomitopsis spraguei  
Fuligo septica  
Galiella rufa  
Ganoderma applanatum  
Geaster fornicatum  
Gleophyllum sepiarium  
Gloeoporus dichrous  
Grifola frondosa  
Gymnopilus sp.  
Gymnopus dryophilus  
Gymnopus subnudus  
Gyroporus canstaneus  
Haplopilus nidulans  
Helvella crispa  
Helvella lacunosa  
Helvella leucopus  
Helvella stevensii  
Hemitrichia calyculata  
Hohenbuehelia angustatus  
Hohenbuehelia petaloides  
Hydnellum peckii  
Hydnellum scrobiculatum  
Hydnellum spongiosipes  
Hydnochaete olivaceum  
Hygrocybe cantharellus  
Hygrocybe laeta  
Hygrocybe psittacina  
Hygrophorus pratensis  
Hypomyces lactifluorum  
Inocybe asterospora  
Inocybe geophylla  
Inocybe sp.  
Junghuhnia nitida  
Laccaria amethystina  
Laccaria laccata  
Laccaria tortilis  
Lactarius argillaceifolius  
Lactarius deceptivus  
Laetiporus cincinnatus  
Lentinellus ursinus  
Lepiota cristata  
Lepiota sp.  
Leucopaxillus albissimus  
Lycogala epidendrum  
Lycoperdon perlatum  
Lyophyllum decastes  
Marasmius androsaceus  
Marasmius capillaris  
Marasmius delectans  
Marasmius strictipes  
Melanoleuca alboflavida  
Metatrachia vesparium  
Mycena haematopus  
Mycena leaiana  
Mycorrhaphium adustum  
Oxyporus betulinus  
Panaeolus foenisceii  
Paxillus atrotomentosus  
Perenniporia ohioensis  
Phellinus gilvus  
Pholiota multifoli

*Polyporus elegans*  
*Pulviaula* sp.  
*Pycnoporus cinnabarinus*  
*Rhodotus palmatus*  
*Russula brevipes* v. *acrior*  
*Russula cyanoxantha*  
*Russula dissimulans*  
*Russula graveolens*  
*Russula laurocerasi*  
*Russula lundellii*  
*Russula macropoda*  
*Schizophyllum commune*  
*Scleroderma michiganenae*  
*Scuttellinia scutellata*  
*Stemonitis* sp.  
*Stemonitis splendens*
